

Sell Your Steel

Mainline Metals purchases steel in 10 ton to 100,000 tons lots anywhere in the world. With our significant purchasing power and an experienced team, Mainline has the ability to handle any size deal. Please consider us as an outlet for any prime, surplus, excess, secondary, obsolete, salvage or claimed material that you have to offer.

We look forward to hearing from you and hope that we may be of service to you in the near future.

Please [click here](#) to fill out the form in order to tell us more about the material that you have to offer. If you prefer to speak with us directly, please feel free to call us at 610- 668-0888 and ask for a purchasing associate.
