

## Buy Your Steel

We sell a wide variety of products and would very much like the opportunity to fill your needs.

Mainline's specialty is flat rolled steel, including Plate, Hot Rolled, Hot Rolled Pickled & Oiled, Cold Rolled and all Coated Products. Our inventory consists of over 20,000 tons of master coil, slit coil, sheets and blanks that are strategically located throughout the U.S.

If you are looking for a cost effective source of steel or other metal products, and you buy in truckload and greater quantities, then please contact us by phone, fax or email.

Please [click here](#) to fill out the form in order to tell us more about the material that you are interested in. If you prefer to speak with us directly, please feel free to call us at 610- 668-0888 and ask for a sales associate.
