

## Salvage

Mainline is interested in purchasing any salvage, claim or damaged steel and metal that you offer. Additionally, we work with other commodities, such as building materials, lumber, paper, equipment, etc.

We buy these materials, regardless of the damage or reason for rejection anywhere in North America and will travel on short notice for inspection. This includes water damage, dropped material, condensation, and smoke.

Please call, email or fax all claims that you may have at any time.
